Cherokee Nation Education Services and Delaware Resource Group in Oklahoma City are partnering together for the 2nd Annual CASE Summer Camp set for the week of July 17-22, 2022. This summer camp is designed to engage Cherokee youth in the field of STEM with an emphasis on Aerospace. The week's agenda will include fun, interactive STEM-related breakout sessions with hands on learning, culture and arts activities, college and career resources, networking opportunities, and more. Students in grades 7th-10th are encouraged to apply. Applications will be available on the Gadugi Portal by mid March and participants will be notified 3-4 weeks after application deadline.

Delaware Resource Group of Oklahoma, LLC is an American Indian-owned aerospace defense contractor headquartered in Oklahoma City. The family-owned business is a leader in contractor services, including military aircrew training, courseware development and distance learning. The CASE summer program is made possible through a special partnership between the Cherokee Nation and Delaware Resource Group.
