

Cherokee Nation Headquarters Properties

In an effort to simplify schedules related to drop off and pick up locations, the Cherokee Nation Transit Program has implemented a new scheduling concept for offices located at or near Cherokee Nation’s Headquarters on US-62 south of Tahlequah, OK. Since a number of our transit clients use various properties clustered in this area, the schedule will reflect a single drop-off/pick-up location identified as “Cherokee Nation Headquarters”. This action will reduce the number of schedule changes when riders move from one building to another and/or when new riders come aboard. The transit operators will continue to stop at each individual location below, if riders utilize such locations.
